

The Coach Code

I love to watch you play

Find what players do right

The game is the teacher

Passion for life

We go SO hard

Dream Big

Leadership is an **Art**
Principles before methods

Be a relationship counsellor between a player and their love of the game

The **best** teacher shows you **where to look** but **not what to see**

Reading is the most important skill to teach

Be a Coach

Relentlessly **positive**

Random **over** patterned

Fail fast + Fail often

Lifelong Learner

Growth Mindset

Nobody knows how much you **know** until they know how much you **care**

Practice Rocks

Variability **Rules aren't necessary** Mastery

One Size Fits Each

The **power** of the **share**

Develop **AMAZING** leaders

That which I **allow**, I **teach**

Science over Opinion

Opportunity is nowhere

Socratic and Random

Positive Errors to Perfection

You're a **teacher first** and always

Information not humiliation

Feedforward = Guided Discovery

Learn by doing and **not** listening

Great things never came from Comfort Zones

Become a great Storyteller

The **coach** who knows **why** beats the coach who knows **how**
