### **Juanita Renwick**

Juanita was born and raised in Edmonton Alberta. Volunteering in the community was instilled in her at a very young age with both parents involved in not for profit and youth sports. As a youth Juanita volunteered at the Humane Society and the local arena. Upon completing a degree in Criminology at Grant MacEwan College she moved to Calgary to pursue a career in Private Investigation moving on to the Human Resources in the Oil and Gas Industry.

Stepping away from her career she changed her focus on raising her two children. As they began to follow their passions in soccer, dance and hockey she once again found her true passion. When her son started hockey in 2009, Juanita was that parent that stepped up to be the Manager, Treasurer, Social coordinator, carpool organizer or whatever volunteer spot was empty. She understood the importance of the volunteer. This led to joining the Southwest (previously Shaw Meadows) Board. Spending over 10 plus years with Southwest Hockey & Hockey Calgary, Juanita held such roles as Atom and Peewee League Chair, Parent Liaison, Division Coordinator, Evaluations Coordinator, Evaluator as well as numerous Director roles as Fundraising, Discipline, Evaluations and Community Relations.

In 2018 Juanita stepped into a career opportunity that allowed her to apply her knowledge and passion for youth hockey to the soccer community. She joined Calgary Minor Soccer Association, the governing body of soccer, as an Executive Assistant. Her responsibilities include supporting 20,000 players who participate in soccer in Calgary, act as the liaison for the 37 clubs that are a part of CMSA, pursue not for profit grant opportunities and work with such organizations as KidSport, JumpStart, Soccer Heroes and Immigrant Services providing access to sports for all kids. She is also responsible for the administration and support of the Executive Director and the 14 Board of Directors as well as act as Interim Chair for Women in Soccer (growing the game of soccer amongst female athletes).

When Juanita is not busy with hockey and soccer, she also volunteers with her daughter's competitive dance organization and assists smaller not for profit organizations with grant research and applications.
