Who We Are

ReVisionz is a specialized consulting company providing End-to-End Asset Information Management Solutions to support owner operator's Operational Excellence and Digital Transformation initiatives.

The Challenge

Most companies today are not able to achieve their Operational Excellence and Digital Transformation goals of improved safety, higher asset reliability and lower costs with the current state and quality of their asset information. That is why companies are turning to ReVisionz to help them significantly improve their asset information quality.

What We Do

ReVisionz is typically engaged to define the why, what, and how of asset information management. Our technology agnostic services include:

- **CONSULTING:** Vision, strategy, business case & program roadmaps
- **STANDARDS & PROCESSES:** Develop technical/asset information standards, & business processes
- **PEOPLE:** Governance, roles & responsibilities, & end user training
- **CONTENT:** Analysis, consolidation, enrichment & transformation services
- **TECHNOLOGY:** Vendor agnostic services to evaluate, configure, implement & roll out engineering/asset information software systems

Value Generated

ReVisionz has a proven history of delivering exceptional value. Over the last 18 years we have developed methodologies, practices, templates and solutions that assist our clients in achieving results faster and at lower risk. We leverage our global execution capabilities to help lower costs for our clients.

Experience the Duncanby Difference

Hidden Paradise! Great getaway from The Hustle & Bustle of work life!

“A great experience for anyone from the beginner fisherman to a seasoned fisher. Very friendly staff, great food and accommodations. The location is second to none with great scenic views and world class fishing! I am looking forward to a return trip in the near future”

Date of stay: Aug 2019

Great Fishing Holiday

“A well appointed lodge with awesome staff and good fishing nearby. There are other options besides fishing including lunch on a sandy beach, whale watching or kayaking/canoeing in Goose Bay. The restaurant style eatery is perfect for those sleeping in or eating late.”

Date of stay: July 2019

Duncanby Lodge is not just another all inclusive fishing destination. We have deluxe accommodations, world renowned fishing grounds within minutes of the Lodge, exceptional service, no set fishing or dining times,
