Birchcliff Energy Ltd. is a Calgary, Alberta based intermediate oil and gas company that explores for, develops and produces natural gas, light oil and NGLs. All of Birchcliff's operations are concentrated in the Peace River Arch area of Alberta, which is considered by management to be one of the most desirable natural gas and light oil drilling areas in North America. Within the Peace River Arch, Birchcliff's operations are primarily concentrated in the Pouce Coupe and Gordondale areas of Alberta, where we operate the vast majority of our production, own large contiguous blocks of high working interest land and own and/or control our infrastructure. Birchcliff's common shares are listed on the Toronto Stock Exchange under the symbol "BIR" and are included in the S&P/TSX Composite Index.

"Birchcliff remains steadfast on putting the environment and the safety of our people and all of our stakeholders at the forefront of our corporate strategy"
