Calgary Royals Athletic Association Scholarship Fund

Your support allows our scholarship program to continue and provides vital funding for deserving student athletes for their post-secondary education. With your support of a Calgary Royals player, you are contributing to the development of a young man's education, character, leadership and sportsmanship.

The Royals continue to fundraise through various events to help facilitate the scholarship program throughout the season. However, your financial assistance is crucial to sustain this program into the future. It is our hope that these awards help athletes avoid financial burden and rewards them for the very traits that are so important to their future success both on and off the ice.

More information can be found at www.calgaryroyals.ca/scholarships/
